*Psalm 139: 1-18*

1 LORD, you have searched me, you know me:

2 you know when I sit and stand; you understand my thoughts from afar.

3 You sift through my travels and my rest; with all my ways you are familiar.

4 Even before a word is on my tongue, LORD, you know it all.

5 Behind and before you encircle me and rest your hand upon me.

6 Such knowledge is too wonderful for me, far too lofty for me to reach.

7 Where can I go from your spirit? From your presence, where can I flee?

8 If I ascend to the heavens, you are there; if I lie down in Sheol, there you are.

9 If I take the wings of dawn and dwell beyond the sea,

10 Even there your hand guides me, your right hand holds me fast.

11 If I say, "Surely darkness shall hide me, and night shall be my light"—

12 Darkness is not dark for you, and night shines as the day. Darkness and light are but one.

13 You formed my inmost being; you knit me in my mother's womb.

14 I praise you, because I am wonderfully made; wonderful are your works! My very self you know.

15 My bones are not hidden from you, When I was being made in secret, fashioned in the depths of the earth.

16 Your eyes saw me unformed; in your book all are written down; my days were shaped, before one came to be.

17 How precious to me are your designs, O God; how vast the sum of them!

18 Were I to count them, they would outnumber the sands; when I complete them, still you are with me.

# Your Vision and Values

Starting today and throughout this process we are going to craft a vision for your life. To help you with this, we want to look at the values you have, and how Scripture affirms them.

Make sure that your vision statement is:

- **Clear** - It should be something so that when another person hears it they know what it is saying.
- **Memorable** - A vision statement forgotten is pointless so make sure it's something you can easily memorize.
- **Emotional** - It can't just be: "*I want to be great.*" Your vision should be personal - something that you are proud and passionate about achieving.

Your **Values**:

Column A	Column B

A. Write out 5-10 **values** (in column A) that are important to you.

B. I'll tell you what goes in column B after we've finished column A.
